

ZAMBIA OUTREACH 2017
27 June – 7 July 2017

Dear Applicant

We are really excited and expectant for this year's trip to Zambia! We have seen so much success in previous trips, and we can't wait to go out again this year and see what God has in store. To give you some scope, when we are in the village, we will send teams out daily walking for about 2 hours in one direction and then turning back and visiting/ ministering to villagers in their various homesteads along the journey back to base camp. We will train you for this and work with local ministry partners (they also interpret for us). In the evenings we hold "fire-side" meetings where villagers come from the surrounding areas and join us in singing and then sharing Bible stories and testimonies. If the village chief and local principal allows, we will also minister to children in the local schools.

You will have brief exposure to Village of Hope and Save-a-Life Centre when we are at the base in Mongu, but most of our time will be spent in the village. We will prepare you as best as possible, but your greatest assets will be flexibility and faith. If your application is accepted, we will give you dates for various meetings in order to prepare & pray as a team.

Caution: Please note that you may walk up to two hours in soft sand (each way) when going out to build relationships with families every day while in the village. You need to be physically fit enough to cope with this.

Applications close **2nd April 2017**.

Costs:

You need to book & **pay for your own flights** to Livingstone and back on the dates above.

Everything else will cost **R4500** once in Zambia (accommodation, food, transport, etc.).

*The first **R2000** needs to be paid to the church account by the **end of April**, (reference "Zambia_Your Name". The remaining **R2500** needs to be paid by the **end of May**.*
